3. **READ AND WRITE:** Read this example and write your own description: what do you do at work?

I'm a(n) I'm responsible for a team of five people. They often have meetings with customers. They sometimes work in the office and call customers on the phone. At the end of the week, they do research to find new clients. I sometimes go to meetings with important customers, so I often travel for work. I analyse sales data, and I often write reports. I also do research to find new clients. At the end of the day, I usually make calls to the other managers and to my boss, who works in a different location. My office hours are 9 a.m. to 5.30 p.m. but I'm so busy I never finish work before 5.30 p.m.
